10 Minutes a Day

Level 2

Book 2: Multiplication Worksheets

Teacher's Guide

Professor Pete's Multiplication Tables

Quick Start Guide: Regular Schedule

Before Week 1:

- Print out the **Multiplication Thinking Strategy** Poster, in colour and laminate if possible. Choose the size you prefer from the selection in the pdf files.
- Print out the **PreTest**, time how long your students take to complete all 100 questions. There is a maximum time of 30 minutes for this test. Record the number correct and the time taken on the sheet. Unanswered questions are marked as wrong.
- Open the **MarkBook** spreadsheet, record number correct (score) and the time taken.
