This worksheet is part of the Professor Pete's Classroom eBook "Ten Minutes a Day 2: Multiplication & Division Revision Worksheets". The recommended teaching sequence is shown in the bar at the top of this sheet. 6x tables (number facts) are learned using a BUILD FROM FIVES strategy. Talk about 6 as one more than 5: e.g. $3 \times 6 = 3 \times 5 + 3 \times 1 = 18$. OR you can use the DOUBLE $\times 3$ strategy.
