

## Number Line Counting Strategies

### Number Lines

A number line is an essential way of conceptualizing numbers.

Number lines show:

- the sequence of numbers
- where each number is found in relation to the other numbers
- numbers before and after
- the

The advertisement features a red-bordered box. On the left is the Professor Pete's Classroom logo. In the center, the text reads 'This is a PREVIEW' with 'PREVIEW' in large red letters, followed by 'Subscribe today for a whole year's access to ALL our worksheets and videos!'. On the right is a cartoon illustration of a professor with glasses, wearing a black graduation cap and gown over a red shirt and blue pants, holding a green chalk. At the bottom, it says 'Already a subscriber? Log in to download the full version of this worksheet.'
