This worksheet is part of the Professor Pete's Classroom eBook "Ten Minutes a Day Level 3: Extended Multiplication & Division Worksheets". The recommended teaching sequence is shown in the bar at the top of this sheet. 7x tables (number facts) are a difficult set of facts, which can be learned with a BUILDING FROM KNOWN FACTS strategy: eg, $6 \times 7 = 6 \times 6 + 6$ more = 42. All 7x facts will have been covered in other sets by this stage.
