This worksheet is part of the Professor Pete's Classroom eBook "Ten Minutes a Day 2: Multiplication & Division Revision Worksheets". The recommended teaching sequence is shown in the bar at the top of this sheet. 10x tables (number facts) are learned using a PLACE VALUE strategy. Multiples of 10 are learned as names for groups of ten. 5 facts are "halves of ten" even multiples of 5 are a number of tens, odd multiples end in 5.
