This worksheet is part of the Professor Pete's Classroom eBook "Ten Minutes a Day 2: Addition & Subtraction Extended Worksheets". The recommended teaching sequence is shown in the bar at the top of this sheet. Double +1 number facts are taught using a THINK OF DOUBLES strategy: once doubles are memorized, any double plus one fact is easily found by counting on one more. Double plus one facts are recognized by the pairing of two numbers that are consecutive counting numbers, their sum equalling double the smaller number plus one more.
