This worksheet is part of the Professor Pete's Classroom eBook "Ten Minutes a Day 2: Addition & Subtraction Extended Worksheets". The recommended teaching sequence is shown in the bar at the top of this sheet. Plus/take 2 facts are taught using a COUNT ON/COUNT BACK strategy: Students who are familiar with the sequence of counting numbers can mentally "count on" or "count back" two more numbers. A number line will help children to visualize this operation which "skips" one number and lands on the next one.
