

1. **Count backwards** with the Easy Place Value Gadget, focusing initially on the numbers that end in five or zero. Extend to the other numbers once students are confident.

- Select materials of choice, e.g. bundling sticks
- **Select "5"**. Click on the "1" button, select "5"
- Start at various numbers ending in five or zero
- Use the "-" button to count backwards in 5s
- Change to different materials such as Unifix cubes, and count again
- Start with other numbers that do not end in five or zero
- Comp
